Information and advice

Road Safety

While you can't control how others drive, you can control how you react. Here's a few tips to stay safe around careless drivers:

Keep your distance – if someone is tailgating, maintain a safe distance and speed to give yourself time to react.

Be patient – if a driver is driving unnecessarily slow – yes it's frustrating, but be patient.

Stay alert – if you see a driver is using their mobile phone or distracted, keep at a distance and focus on

your own driving.

Stay calm – if someone cuts you up, take a deep breath and slow down to create space.

Fraud

Did you know that over £19 million was lost to investment fraud in Sussex last year?

Watch out for investment fraud red flags  :

- You're contacted out of the blue via phone, email, or social media
- You're being rushed or pressured into making a payment or it's a time-limited offer
- You're being promised unusually high or 'guaranteed' returns
- You can't find the company on the FCA Register or there's no regulation
- You're being given vague information, or the company uses fake reviews or celebrity endorsements.

Always make safety checks before you invest.

Meet the Team

 Want to meet your local Neighbourhood Policing Team?

All our upcoming community events, drop-ins and engagement sessions are now listed on the Your Area page of the Sussex Police website.

We're here, we're local and we're listening. 

Stalking

Stalking can start with behaviour that doesn't always seem serious, but if it is unwanted and repeated, it should never be ignored.

This National Stalking Awareness Week, we want you to know you don't have to manage it alone.

We are here to support you and keep you safe.

If something doesn't feel right, trust your instincts and report it.

You will be listened to, believed, and taken seriously.

Counter Terrorism

Being prepared can help save lives.

The information in this post comes from Counter Terrorism Policing and is designed to help you understand what to do if you are ever caught in a terrorist incident.

Our aim is simply to help people feel informed and prepared because these three words: RUN HIDE TELL could help save lives.

How to report to us

Call 101 when you don't require an urgent response. In an emergency when life is threatened or there is immediate danger always call 999.
