

Roundhill Ward Update – February 2026

Brought to you by PCSO Chapman (41212)

Hello everyone,

Welcome to your February ward update.

Team Update

We have two new PCSOs joining the ward, PCSOs Olivia Macaulay 45073 and Alfie Tanner 45075. You should see them out and about in the coming weeks, so please say Hi!

Community Meetings

There are currently no planned community meetings, but we're more than happy to attend any that we're invited to. Once the new PCSOs become more established we are going to be attending meetings as much as we can. If you are a member of a local group or organising a meeting, please get in touch — we'd love to be involved and support where we can.

Crime and Community Concerns

Similarly to last month, the main reports we are getting more recently relate to shoplifting. We continue to monitor and patrol these areas where concerns have been raised.

As always, we encourage all residents to report suspicious activity, no matter how small — every report helps us build a clearer picture and direct resources effectively.

Current Ward Priorities

Shoplifting – Appears to still be ongoing, however we are working with the Brighton Crime Reduction Partnership (BCRP) and local businesses to address this. Subjects have been identified and there are ongoing investigations in the background.

Anti-social behaviour & drug-related activity – Regular patrols continue in known hotspots. There has been an increase in drug taking activities in and around the Sainsbury's Lewes Road car park. This has been added as a priority and there have been more targeted patrols in this area.
