

Brunswick and Adelaide PCSO Monthly Update

Hello everyone! This is your current ward update for Brunswick and Adelaide, looking back at the month just gone, and offering current crime prevention advice.

Within the month of June:

- Reports of ASB increased quite a bit from 63 reports in May to 91 reports in June. This was likely down to a few tent encampments in green spaces such as Hove Lawns and Brunswick Square.
- Burglary increased from 1 report in May to 4 reports in June.
- An increase in criminal damage from 7 reports in May to 11 reports in June.

Key Priorities:

- For a reduction of ASB/drug use/drug dealing in the green spaces
- To see more patrols in hotspot areas

Crime Prevention Advice

Following on from last month's ASB awareness and advice, I wanted to provide some links for advice and reporting tent encampments and rough sleepers.

[Tell us about someone sleeping rough - StreetLink](#) - report someone sleeping rough to support services.

[Street outreach](#) - details BHCC's weekly meetings with partner agencies to review tents in the city.

Partner agencies work together when reports of anti-social behaviour stem from the occupants of a tent encampment on public land. It is important that this is reported to both the police and the council.

For further advice on any of the above issues you may be experiencing, please visit the Sussex Police website for help and advice with who best to contact. This may be the local council, or a housing management agency.

Meetings

The next LAT meetings are listed below and take place at Cornerstone Community Centre on Church Road, between 7:15pm-9:15pm.

Wednesday 3rd September 2025

Wednesday 3rd December 2025

This is a great opportunity for local residents, businesses, councillors and police to get together to discuss concerns, improvements for the area, positive action etc. Please feel free to come along to a meeting if you would like!

Unfortunately, I am unable to make the next two meetings. I am going to look at setting up a separate meeting for the time being, where councillors and residents will be welcome. More details about this will be posted in next month's Sussex Alerts.

How to contact Sussex Police

999 – emergency

101 – non-emergency

Sussex Police website online form – non-emergency

Crimestoppers – anonymous non-emergency

Reporting through the official channels is crucial, as we are then able to allocate the correct officer/department to make contact with you.

If you see me out and about, please feel free to say hello! Once again, thanks for reading 😊
