

Ward Update – October 2025

North Portslade

Hi everyone 🙋

I hope you're all doing well.

As I was away for most of September, but I'm back now and keen to share some updates and plans moving forward.

Community Safety

We've had some positive news recently: there's been a noticeable reduction in anti-social behaviour in North Portslade. Fewer calls to the police have been made, which is great to see.

That said, please don't hesitate to report any concerns by calling **101**. I'm always happy to follow up and support any actions needed to keep our community safe.

On the other hand, we've seen a rise in neighbour disputes, ranging from noise complaints to more serious concerns such as suspected drug use. While many of these issues are supported by Brighton & Hove City Council, I'm available to assist, particularly where there may be criminal behaviour involved.

Ward Presence & Engagement

With summer behind us, I'm looking forward to spending more time in the ward. Although I often get called across Brighton & Hove, I'm aiming to attend more local events and visit businesses in North Portslade.

I've continued regular patrols in local hotspots, so hopefully, you've seen me out and about. Feel free to stop for a chat—I always enjoy connecting with residents 😊.

Current Ward Priorities

1.  **Police Engagement & Communication**
2.  **Drug Use & Dealing** in North Portslade
3.  **Anti-Social Behaviour**

These remain my top focus areas, and I appreciate your support in tackling these issues together.

How to Report Concerns

- **Non-emergencies:** Call **101** or report online via the **Sussex Police** website
- **Emergencies or crimes in progress:** Call **999** immediately

Thanks, as always, for your support in keeping North Portslade a safe and welcoming place to live

Take care,

PCSO Cracknell
