

### **PCSO Monthly Ward Update**

*This is your February ward update for Hove Park and Westdene, by PCSO Munro-Stevenson.*

My name is Elliot; I have had Hove Park and Westdene as my ward for a while now. I have seen many people out and about on the ward. I also cover Faith and Engagement within Brighton and Hove as well.

If you see me or my colleagues out and about, feel free to come and say HI!

**CURRENT WARD PRIORITIES** – Drug dealing, Youth disorder and speeding/traffic issues with Withdean.

Drug dealing – reports have died down which maybe due to the weather and lighting and patrols in the area.

Youth disorder – In terms of on the ward, there has been no youth disorder reported however Brighton and Hove, mainly the city centre issues continue. I also think the weather has played its part of the ward as well.

Speeding/ traffic issues – Tongdean lane has been added to the cities winter if action so regular patrols will be carried out along side my usual patrols around the area.

### **Ward Patrols**

- Hove Park, Hove rec and Dyke Road Park have been patrolled with little seen however like previously mentioned the weather does play a massive part to green spaces on the ward.
- Waterhall has been patrolled a few times due to issues highlighted by concerned dog walkers.

### **Community Meetings**

Ward surgeries coming up – If you have any issues please come and speak with me around issues you are having on the ward, See you there!
