Community Meetings:

Our second community meeting took place on **9th September** at the Old Boat Community Centre. Although only one visitor attended, we remain committed to engaging with residents and won't give up!

The next meetings will be held on:

Tuesday 07 October and Tuesday 04 November.

Feel free to come along for a chat — we'd love to see you there!

Community Events:

The **Duck Fayre** was a fantastic success this year! It was great to see such a strong turnout, and my colleagues really enjoyed connecting with the community and meeting everyone who came along.

Thank you for staying involved and helping us keep the community safe.

Stay safe and see you next month!
