

Coldean & Stanmer Ward Update

From PCSOs Lee Daubeney (42156), Aiden Falconer (44198) & Charlie MacSorley (44798)

November 2025

Ward Priorities

Our focus in Coldean and Stanmer continues to be on:

 **Off-road motorbikes in park areas**

 **Speeding vehicles**

 **Anti-social behaviour**

These priorities are based on community reports and patterns we've observed through local engagement and patrols. Your feedback helps us target the issues that matter most.

Ward Update

With Christmas approaching, we hope everyone is keeping safe and well. On a positive note, we've seen fewer parking-related reports this month, and with the colder weather there has also been a decrease in off-road vehicle issues.

It was lovely to meet some of you at the Coldean lights switch-on this month. With all three of us attending, it was great to experience the fantastic community spirit in the area.

There have been many positives throughout the year, and we're very grateful for all the reports you send in. Your updates help ensure we stay informed about what's happening across the ward.

How You Can Help

Your reports and feedback are vital as they help shape how we police the ward.

- **Report issues via 101**
- **Report online:** www.sussex.police.uk
- **Emergency:** Always dial 999

You are our eyes and ears when we're not around, and every report helps us keep Coldean and Stanmer safer.

Stay in Touch

We're committed to supporting our community, but we can't do it alone. Please continue to:

- Report issues via 101 or online
- Engage with us when you see us on patrol
- Attend local meetings when possible

Together, we can keep Coldean and Stanmer safe, supportive, and welcoming for all.

Ward Patrols

This month I've completed a lot of foot patrols and met many new faces, which has been fantastic. Local businesses are doing well, which is fantastic to see. If you see any of us out and about, please do say hello, we'd love to stop and chat.

Planned Events

On **Sunday 21st December**, I will be holding a ward day and will be present at various locations throughout the ward. I'll share the details with Rose, who will circulate more specific information closer to the date.

We wish you all a Happy Christmas and a wonderful New Year. Stay safe, stay warm, and thank you for your continued support.
