

## Coldean & Stanmer Monthly Ward Update

From PCSOs Lee Daubeney (42156) & Aiden Falconer (44198)

 September 2025

### Ward Priorities

Our current focus remains on the following key issues in Coldean and Stanmer:

-  Off-road motorbikes in park areas
-  Speeding vehicles
-  Anti-social behaviour

These priorities are based on community reports and ongoing patterns we've identified through local engagement and patrols.

### Ward Update

As the colder months approach, we hope everyone is staying safe and warm. September saw a major local event, Boundary Festival, which brought many visitors to Stanmer Park. We're pleased to report that the event was well-managed, with a strong police presence throughout, ensuring the safety and enjoyment of all attendees.

Looking ahead, you can expect continued high-visibility patrols in the area to support community safety and wellbeing.

 **Remember:** Your reports and feedback help shape how we police the ward. Please don't hesitate to get in touch.

 **Report via 101**

 *"You are our eyes and ears when we're not around – every report helps us keep Coldean and Stanmer safer."*

## **Ward Patrols**

Throughout September, both PCSO Lee Daubeney and I have been regularly patrolling the area. We've been actively responding to community reports and engaging with residents.

If you see us out and about, feel free to stop and say hello — we're always happy to chat about any concerns you may have.

## **Incidents of Note**

### **Day of Action – Untaxed Vehicles**

Following multiple reports and community concerns, we conducted a successful “Day of Action” near the local school. Several untaxed vehicles were identified and removed. This initiative was well-received and we hope it will have a lasting positive impact on the area.

### **Boundary Festival**

The annual Boundary Festival was a great success. The event showcased Stanmer Park at its best, welcoming many new visitors to the area. Our teams worked hard behind the scenes to ensure everything ran smoothly, and we're proud of the outcome.

## **Stay in Touch**

We're committed to supporting our community — but we can't do it without you.

Please continue to:

- Report issues via 101 or online
- Engage with us when you see us out on patrol
- Attend local meetings when you can

Together, we can keep Coldean and Stanmer safe, supportive, and welcoming for all.
